Jennifer Bruce, Jackie Bull, Judy Schmidt, Kathy Raymond, Mary Jamson, Debbie Page and Linda Yeats. They camped outdoors overnight, returning via canoes early this morning to be in time for school. Mr. Resler will take a group of boys from his class on a similar expedition later in the week.

Kinsmen Hockey Banquet Draws Large Crowd

The Kinsmen Club of St. Albert held their fifth annual minor hockey awards banquet last Sunday in the new St. Albert and District Arena, for more than 500 boys and fathers. There were also a few mothers present.

The Kinsmen did not request any NHL stars for the event and very few had ever heard of featured speaker Gus Brunelle of Camrose before. However by the time this gentleman had delivered his speech there were many who will take a different look at the world we live in.

BUD BRUNELLE

Mr. Brunelle, who has travelled throughout the world, stressed in his excellent address, that all people are created equal. He impressed on the boys very graphically, that the sooner all people accept the

idea that a person's color is not important, the better it will be for the younger generation that is fast moving up to take its place in society.

Mr. Brunelle, the father of eight children, pointed out he had always tried to stress fair play, and abide by the rules, whether in a hockey game or every day life. His voice boomed out loud and clear as his speech touched on many facets of life, and a big hand goes to the Kinsmen for obtaining this excellent speaker.

Other head table guests included Mayor Ray Gibson and son, Father Jake Jolly, Kinsmen President Bruce Daley and son, hockey chairman Fred Calkins and son,

Bob Forcand and son and Kevin Erickson.

There were no delays in the program and as soon as the meal was finished the team and individual awards were presented.

SHAVAR A. Kevin Erickson, son of the late St. Albert sportsman Rod Erickson, presented his father's trophy to assistant coach Tom Parayko of the champion Broncos. Broncos coach Garth Leask was unable to attend due to a death in the family. Kevin Jackson won the scoring title with 55 goals in just 20 games. Team-mate Brian Rasmussen received the leading goaltenders trophy.

Council will seek improved delivery of water from city

Council dealt with two matters which have had considerable nuisance value to their electors on Monday night: water pressure and mosquitoes.

In the matter of water pressure the situation went beyond a nuisance to health hazard in some cases, as was pointed out by Coun. de Bruijn when he raised the matter under new business. The lack of pressure caused particular hardship

to people in several story apartments with infants and small children. Mr. de Bruijn said "If we have a long hot summer we could be in real trouble."

Mayor Gibson stated that this week a 48 inch water line will be hooked into the Rosslyn reservoir. He also mentioned that while he hasn't had official word from the city "some people have

Grandin Park development delayed for legal opinion on proposed land exchange

An hour and one-half discussion on the proposed development by Grandin Shoppers Park Ltd., left a six-man council at a stalemate Monday night, when three motions on the matter were lost 3 - 3. (Councillor Kambourff was in hospital).

Mr. Witten, lawyer for the developers, was invited to attend the discussions and joined the meeting at nine o'clock. Councillor Hudson also came in at this time.

Councillor de Bruijn raised two questions which he considered must be clarified before a settlement on the proposed development could be reached.

How was the land originally acquired by the town - because under certain circumstances the manner of acquisition might require a plebiscite under the municipal act. The second question raised by de Bruijn was whether the proposed land swap being considered would invalidate the 1968 agreement with St. Albert Developers (previous owners).

Councillor Russell was concerned that "eventually we will be able to create parkland, as the land had been considered by people in the area when they purchased their homes." The land swap would also bring about orderly development of the downtown area in his view. de Bruijn again noted that the transaction might invalidate the agreement.

"The transfer will not take place until after the agreement is satisfied" said Mayor Gibson. But Coun. de Bruijn was not satisfied the town's position was secure. "I will go one step further" he said, "I feel there is an interest and benefit that will accrue to the residents of Grandin Park under the land swap, and there is also a liability that will accrue to the town. Ratepayers from throughout St. Albert should have an equal opportunity to vote on the matter."

Bike-a-Thon

John Kaminski of the St. Albert Breakfast Lions, sponsors of the recent bike-a-thon reports that about one-half of the pledges are in. It is hoped that the remainder of the riders make their deposits within the next week either at the Bank of Nova Scotia or the St. Albert Credit Union.

Councillor Russell did not agree - "the buck stops here." He pointed out that there was no question whatever that the former owners, St. Albert Developers were entitled to 2.2 acres. It is already agreed that St. Albert Developers will be responsible for \$32,000 in servicing costs, he said. Councillor Lukay wanted more research done - "responsibility lies heavy on councillors at this time." He also noted that the developer said he had plans for one area or the other. Now is he only interested in Grandin Shoppers Park area?" asked Lukay.

"Whichever way we go there will be repercussions" said Coun. White. "I am not prepared to support this recommendation tonight there are too many things up in the air."

Lawyer Witten stated the position of his client Mr. Kryger, who purchased in February of this year. "At that time we understood that Grandin Shoppers Park, Ltd. was entitled to own 6.2 acres and our architect went on with plans for the whole of it. Next the town went ahead with procedures to have the whole park zoned commercial. Two months ago we got involved with council on the problem of the 2.2 acres. Council suggested to us that it might be

preferable not to rezone the 2.2 acres, and everyone would be better off if a land swap could be negotiated, so that the 2.2 acres could be dedicated as parkland. We met and discussed a new plan with Mr. Woodroffe, and agreed to the deletion of the 2.2 acres from the proposed zoning bylaw. Since then we have operated in the belief that we would develop four-odd acres and the land swap would go through. We have not registered a replat on the 4.2 acres - if it is in one parcel with access, we can go ahead. We have to know where we are going."

Mr. Witten also answered a question from Lukay on the 13-lot parcel involved in the proposed swap. "We have no plan to be committed on that piece" he said. "We would prefer to develop it if we can, but my client will make the best deal he can, with the options open to him." Lukay felt it was clear from the discussion that council could not give an answer, if proceeding with the exchange could lead to future lawsuits.

Councillor Hudson said it was unfortunate that council rushed into proposed the land swap, and he appreciated the spot the developer was now in. Coun. White said Mr. Witten and Mr.

The Third World of developing nations is richer by \$1,000. Father Colin Levangie, on behalf of the St. Albert Share Lent program, accepts this impressive contribution by Vital Grandin School from Guy Raboui, vice-principal. The money was raised through the combined efforts of parents, students and staff. The main project was the flea market held April 1st, and it was followed by a starvation organized by Grade 7C. BY THE BOARD OF TRUSTEES OF THE ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6 OF THE PROVINCE OF ALBERTA.

WHEREAS It is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of One million six hundred eighty-five thousand DOLLARS (1,685,000.) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than nine per cent (9%) per annum for the following purposes, namely:

- erecting a new high school of masonry construction on District property located on a portion of River Lot 49 of the St. Albert Settlement, St. Albert, Alberta. This high school is to consist of 14 general classrooms, 4 science rooms (including prep and storage areas); Business Education Centre consisting of 1 Manual Typing Room, 1 Electric Typing and Steno Room, 1 Business Machines and Office Practice Room, 1 Merchandising Room; 5 ancillary rooms consisting of 1 Library, 1 2-Station Home Economics Room, 1 2-Station Industrial Arts Room; Gymnasium consisting of 1 2-Station Physical Education floor with associated Stage, Storage Room, Showers and Dressing Rooms, Physical Education Offices; Administration Centre consisting of 1 Principal's Office, 3 Vice-Principals' offices, 1 Counselling Area, Secretary and General Administration Area; 1 Admin. Conference Room; Staff Centre consisting of 1 Staff Common Room, 1 Staff Work Room, Staff Lavatories; Infirmary; plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act at an estimated cost of \$1,498,400.00 including architect fees and water supply and sewage disposal system.
- providing furniture and equipment at an estimated cost of \$17,600.00.
- landscaping and site development at an estimated cost of \$25,000.00.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Charles Schroder, Chairman.

Dated at St. Albert
this 17th day of May, 1971.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY-BY-LAW IN A SCHOOL DISTRICT - (Sections 2 (e), 3 and 104 - The School Act, 1970).

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- 18 years of age or older,
 - who is a Canadian citizen or British subject, and
 - resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;
- A poll respecting the aforementioned borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970. The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors,

and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

Creative Schools executive

Diane Swann was elected president of the board of the St. Albert Creative School Society at the annual meeting held recently. Serving with her on the executive are Beth Loman, secretary; Don Stanners, treasurer; Catrina Loewan, transportation; Murdo McFarlane, housing; Gail Brock, supplies.

Members of the society viewed a film "The frustrating forces and fascinating lives" and toured the classrooms where many of the childrens projects were on display.

All creative school pupils visited Storyland Valley Zoo May 14, the final day of the school year.

The youngsters were taken on a number of field trips during the year. These include visits to the Edmonton Centennial Library, Queen Elizabeth Planetarium, Alta Sweet Honey factory, Honey Boy Bread Co., the St. Albert firehall and local library.

Marcel Lambert speaks at Sam and Simpson Schools

The FLQ War Measures Act, MP's salaries, the Monarchy and bilingualism are just some of the topics a group of grade nine students at George Simpson questioned Marcel Lambert on, when the Member of Parliament for Edmonton West spoke at the school, Monday afternoon.

In the morning, Mr. Lambert was at SAM, where he met a number of students in a question and answer period.

Mr. Lambert told the young people at Simpson that in just a few years they will have the right to vote in elections and that they should know the workings of government. Mr. Lambert explained the jurisdiction of the three governing bodies, municipal, provincial and federal and then asked for questions from the floor.

Asked about the pay increase for MP's, from \$12,000 to \$18,000 and the \$2,000 increase in expense allowances, Mr. Lambert pointed out that there are some senior civil servants who make twice as much as the MP's. "Yet we have the same responsibilities," he said. Plumbers and electricians make \$15,000 per year, he said. "Even the chef in the commons restaurant makes more than I do."

Mr. Lambert said he could make \$50,000 annually, working full time at his profession as a lawyer.

Will Trudeau turn Canada into a republic? Mr. Lambert said the prime minister in a recent telecast had said he has no intentions of doing this, and added, "I have no doubt he was speaking the truth."

Questioned at length on the Quebec crisis, Mr. Lambert said Ottawa "over reacted" and added the security pre-

cautions in many cases were "ludicrous."

Mr. Lambert strongly disagrees with the use of the War Measures Act. "Four hundred and sixty people were thrown into the pokes, the majority because they were in somebody's little black book. Some people have been in jail for seven months without bail, waiting to be tried and there are some grave doubts as to the validity of the charges."

Is French being rammed down the throats of English speaking Canadians? Mr. Lambert feels it is, "in the civil service at certain levels."

Mr. Lambert, who has represented Edmonton West, one of the oldest ridings in Western Canada since 1957, regularly visits schools in his constituency and so far this school year has spoken at about 35 schools.

Long Lake Derby May 22, 23, 24

The fish committee has announced plans for a fishing derby to be held at Long Lake on the weekend of May 22, 23, and 24.

Long Lake provincial park is located 16 miles northeast of Newbrook and about 85 miles from Edmonton off Highway 28. It is one of Alberta's finest provincial parks with more than adequate camping facilities. Many large pickerel and pike have been taken from this lake. The park has a large playground for the children, a concession,

boats and motors are available to rent, and there are two launching areas.

Prizes will be awarded each day for the largest pickerel, pike and perch. All species caught qualify for a hidden weight prize, which also will be awarded each day.

The weekend has been arranged to provide fun for the whole family. A horse-shoe tournament will be held and games for the kids have been organized.

Entry fee for the fishing derby has been set at \$2

per family for the entire three days.

Come out and enjoy this long weekend and bring your friends.

This annual event by the St. Albert Fish and Game Association has proved very popular in recent years.

Grade 6 students learn by seeing on exchange trip

Students of Betty Ontkean's grade six class at Sir Alexander Mackenzie school are hosting 26 grade six students from Jasper school this week, and the program they have laid on for four days may make them the busiest group of people in town.

On Tuesday the two classes visited the Edmonton Planetarium and the Alberta Game farm, and today they were out at the international airport where a pilot showed them through a jet aircraft. Afterwards they visited the meteorological office, before returning to St. Albert in time for a trip to the Raven's poultry farm. Tomorrow morning a final field trip takes them to the Provincial Museum and Archives for a guided tour and showings of both films and slides.

While in St. Albert the visiting students and teachers stayed at the homes of Mrs. Ontkean's students.

Next week the St. Albert class is off to Jasper on the second stage of the novel exchange trip. In contrast

A golf pro, hired by a big department store to give golf lessons, was approached by two women.

"Do you wish to learn to play golf, madam," he asked one.

"Oh no," she said. "It's my friend who wants to learn. I learned yesterday."

to their urban life "learn by observing" activities here, the grade sixers will learn about outdoor conservation and parks in Jasper.

They will leave by bus Tuesday morning and stop for a tour of the Pulp and Paper Mill at Hinton enroute. A Jasper Park naturalist will take the students out for two full days Wednesday and Thursday, and they return on Friday.

Guidance counsellor Lil McLean and teacher Adeline Slaughter will accompany Betty on the trip to Jasper. There are 23 Jasper students and 27 St. Albert involved. In both cases the classes raised the money for the project through candy and pop sales, rummage sales, bottle drives and similar ways.

City life: millions of people being lonesome together.

Improved Water Supply

Continued from page 1

told me that the waterline along 137 Avenue is not of sufficient capacity."

Coun. de Bruijn asked if the pumping capacity on 137 avenue could be increased and the mayor said this would happen with the hook-up into Rosslyn reservoir.

de Bruijn and the other councillors had a number of questions relating to all aspects of the water pressure situation for engineer Maandag, and they all expressed serious concern about the situation. The mayor said the university planners were talking about additional water lines both in the city and out, as they are aware the 137 avenue line will not be adequate.

It was made clear in the discussions that the reservoir and two pumps in St. Albert are adequate to supply the town, if the city can

deliver the water. "The city has a responsibility to its customers, and we pay surcharge enough for deliverability" said de Bruijn. It was decided to meet at the earliest possible date with a city commissioner to arrange for adequate measures to ensure this deliverability. The mayor, engineer and de Bruijn will represent St. Albert.

The report on mosquito control prepared by Mr. Beedle was discussed briefly, and it was pointed out that the bad infestation this year is a once a year hatch which will be a problem for some three weeks. The usual control measures were taken but high winds hindered spraying and extra high river level is leaving ideal hatching areas as the water recedes.

Grandin Park Development

Continued from page 1

Krygier have done everything to co-operate - "we should defeat the motion in front of us, and give them back the 2.2 acres," "With the thought in mind that it will then be commercial," said Hudson. "How many times are we going to change our minds?" asked Russell. To which White replied - "as things proceed and new information comes to light."

The mayor gave estimates of figures for assessment and tax income for the town if the Grandin Shopper Park Ltd. plan goes through this year.

Assessment on the proposed development at estimated total of \$1,600,000, would be \$540,000, yielding \$41,000 in tax. Assessment on land in the Grandin Shoppers Park area of \$7,920, would yield \$3,162. Assessment on the 13 lots proposed in the exchange would be \$33,620, yielding \$2,555. Therefore if the proposed development and land swap went through, the town would be looking at approximately \$48,700 increased tax revenue in 1972.

Mayor Gibson also pointed out that if the swap did not go through and the developer went ahead on the basis

of receiving back the 2.2 acres, he would need access to it, and the development would require an entirely different design.

Coun. Russell, who had originally moved the land swap recommendation from committee, moved an amendment to include "subject to the approval of our solicitor." Vote on the amendment lost 3 - 3. Vote on the motion lost 3 - 3, with Lukay, White and de Bruijn opposed.

Coun. de Bruijn moved that the 2.2 acres be rezoned to what it was when the town acquired title, then the title be transferred to the new owners, provisional on satisfactory settlement of the agreement. Speaking to his motion, de Bruijn said he wanted all the tag ends settled, and the whole thing put together. Motion lost 3 - 3 with Russell, Gibson and Hudson opposed.

After further discussion of the impasse, a motion by the mayor that council submit a memo to their solicitor, asking for a legal opinion as quickly as possible on whether the town can proceed with the land swap, carried unanimously.

The Reverend Father Colin Levangle OMI and the Reverend Leonard Musto jointly officiated at a service Saturday afternoon uniting into marriage Helen Marie Irlon, daughter of Mr. and Mrs. D. Regimbald, 15 Sylvan Drive, and David J. Copley, son of Mr. and Mrs. G. S. Copley of Nanaimo, B.C. The marriage was solemnized in St. Albert United Church, marking the first time that a Roman Catholic priest has been able to assist in a joint service in a protestant church in St. Albert.

Madame Rebecca Paradis, 32 years young and a resident at the Youville Home, assists in the directing of Bach's Minuet No. 1, played by students of the Olson school of music. Directed by Mr. Olson, the young musicians who have been studying the violin by the Suzuki method, put on a concert at the Home last Sunday afternoon. Maurine Sullivan was featured soloist in Gounod's Ave Maria, accompanied by Brenda Kandash.

Morinville upsets Namoo

The Morinville senior baseball team won their North Central Alberta league opener with a fine 17-3 win over Namoo.

Mound ace, Larry Perrott had an excellent game for Morinville striking out 13 batters and banging out a

run producing a triple and a double. It was a hitter's day as Morinville came up with 20 and Namoo had 12.

Mr. Nick Wojtkiw is the coach of Morinville with Frank Volmer the manager and Paul Krauskopf in charge of statistics.

Pedal Pushers complete another successful program in St. Albert

St. Albert now has a further 288 children capable of controlling a bicycle thanks to the efforts of only 17 volunteers, plus a few adults pressed into service on the spot at various training areas.

The Pedal Pusher Club, this year organized by the St. Albert Breakfast Lions Club, is the first step in teaching a child how to control a vehicle under a wide variety of conditions. The next major step for the child is for each and every parent to give instruction on road manners and courtesy, how to turn corners correctly and to ride on the right hand side of the road.

The St. Albert Breakfast Lions Club wish to point out that although certificates, badges and membership cards were issued, this does in no way indicate that the child is competent to ride into areas frequented by all varieties of traffic. The child has only been taught the rudiments of bicycle control.

During bicycle checks at the beginning of the course, many machines were either repaired or rejected due in the main to two major items (1) Bikes with high rise handle bars invariably had loose goose necks and/or

the handle bars rotated. This is due to the long leverage available acting against a relatively small gripping area. (2) All types of bikes experienced bent pedal cranks and/or twisted pedals due to the children just dumping the bike on a sidewalk rather than use a kick stand or bicycle rack. Please check your children's bikes now.

Lions plan concert

An evening of musical entertainment is being planned for Sunday, May 30, when the St. Albert Breakfast Lions present a concert at Lions Park, beginning at 7 p.m.

Among the groups participating in the event are the Lions Community Band, under the direction of Bob Huerman; Father Jan Glee Club, directed by Bertha Kennedy; St. Albert High Pitch and Spice Singers, Father Duchesneau directing, and others.

Bring the kids, pack a picnic and bring your bug spray and join your neighbors for a fun evening.

As population increases, the farmers of the United States will have to raise 437,000 hogs each year for each additional million people.

Frontier Daze- for everyone

The Morinville Frontier Daze committee is preparing for the thousands of visitors who are expected to flock to the town to take in this year's Frontier Daze, June 19 and 20. Indications are this will be the biggest and best weekend in Frontier Daze history.

There will be a giant, free street breakfast on Saturday morning, followed by the big parade. A midway will be in operation both days and there will be many sports events, musical entertainment, costume parade, dances and special events for the youngsters.

Children eight years of age and under are invited to participate in the Kiddies Chicken Chase, to be held both days of the Fair.

For the fourth consecutive year the Citizen of the Year award will be made during Frontier Daze. Nomination papers are available

in Morinville.

No one needs to go hungry in Morinville June 19 and 20. As well as such all-time fair favorites as hot dogs, hamburgers, corn on the cob etc., International Food Booths will feature Ukrainian, German, French and Yugoslav cuisine.

RECREATION Hi-Lites

SWIMMING:

The pool will open on Saturday, May 22. The schedule from that date till May 30 was published in last week's Gazette.

A separate advertisement in this issue contains the schedule for June as well as information about swimming and diving instruction. Registration for instruction will be taken at the Clubhouse (beside the swimming pool) on Thursday and Friday, May 20 and 21 from 5 - 9 p.m. on both days. Applications for season tickets are available at the Town Hall. May 21 is the

deadline for the receipt of applications for family season tickets being paid for by special arrangement through the water and sewer billing.

For further information phone the department of recreation at 599-6601.

COMPETITIVE SWIMMING

An announcement will be made shortly about registering for the St. Albert Swim team.

FAMILY CAMPING:

For information about the camp-out at the weekend at Wabamun Provincial Park phone Harold Kay at 599-7488.

TENNIS:

This year the weather so far has been co-operative and the lessons sponsored by the Tennis Club in co-operation with the department of parks and recreation have been going according to plan, apart from a cancellation because of high winds.

Phone the department of recreation if you have any doubts about the availability of the courts. Until the school classes and lessons are finished the hours will continue to be very irregular.

SOCCER:

An Atom game played on May 11 between the Lions and Falcons was won by the Lions by a score of 3 - 0. Steven Austin scoring two goals and Jeff Gibson one. On the same evening the Hawks and the Tigers played, with the Hawks winning by 2 - 0. Claude Joly scored the winning goal when the Lions won their game against the Eagles by 1 - 0. The game between the Tigers and the Falcons was called off because of weather conditions.

Cree pack enjoys camp-out

The provincial park at Entrance, near Hinton was over-run during the past weekend by cubs of the Third St. Albert Cub and Scout group.

Twenty-three cubs and 10 fathers spent the weekend at the park hiking, fishing and exploring. The program was informal, allowing for spontaneous activities. Fathers participating were Phil Sturgess, Dennis Gibson, Ian McKinnon, Doug Wilson, Jan Maandag, Ray Evans, Perry Billingsley, Harold Kay, Al Nixon, Tom White and Pete Sandomirsky. They had as good a time as the boys.

Food, consisting of beans, wieners, chili, pancakes etc. was prepared by the fathers. Overnight accommodation consisted of sleeping bags in tent trailers and shack tents.

Anyone who thinks money grows on trees will have a hard time getting out of the woods.

Mothers Day Out filled to capacity

The Mothers Day Out program is entering its third week in St. Albert and the response has been fantastic. Seventeen pre-schoolers were enrolled last week and for this Thursday 20 youngsters have been registered, which is the maximum allowed under government regulations.

A spokesman for the St. Albert Help Society which sponsors the program said that judging from the remarks made by people arranging to use the service it is a program that is long overdue and for which many women are very grateful.

However, she adds, the society would re-emphasize the fact that the nominal charge of 50 cents per child per day, which puts the service into everyone's reach is made possible only by the generous time donated by volunteers.

If there are any women in St. Albert who have no pre-schoolers and feel they could donate some time for this purpose, please contact Mrs. Dolphin at 599-6350.

Laura M. Bird passes

Funeral services were held Saturday morning for Mrs. Laura M. Bird, who passed away May 12 at the age of 61.

Father C. Levangie officiated and interment followed in the church cemetery.

A resident of the town since 1954, Mrs. Bird had taught for 33 years and prior to her retirement last fall was on staff at Vital Grandin school, where she was connected with the opportunity room.

Mrs. Bird was actively involved in many community projects.

She is survived by her husband, William H. Bird; a son, Richard; four daughters, Lela, Lois, Marie and Darlene; five grandchildren two sisters and two brothers.

Myrna Fyfe, president of the Help Society reports that the response to the request for furnishings and supplies

was excellent and the items donated are much appreciated and are being put to good use.

Local hockey fans in Quebec

Gene Perron, mson Paul and Guy Bourgeois are in Quebec city for the Memorial cup playdowns this week.

Fleuri Perron left with the Oil Kings Saturday morning and the team were thrilled with their welcome at Quebec airport by some 2,000 hockey fans. Arriving at the Chateau Frontenac, they were again met by a large crowd.

According to Fleuri's sister Elaine, who along with other relatives met the plane in Montreal, the Kings look "really sharp" in their new travel outfits - navy blazers with grey slacks, blue shirts and red, white and blue ties.

Paul and Guy left Saturday night and were able to see the NHL Montreal-Chicago game Sunday afternoon. Gene left at midnight Sunday, met the others at Elaine's home in Montreal, and they motored to Quebec for Monday night's game. Gene will return after Wednesday's game, but Paul and Guy are staying on for the last game Friday.

The Quebec government hosted a civic banquet for the Kings on Tuesday.

SOCCER

In the junior atom division Spurs squeaked by the Bombers 2 - 1 while Mustangs upset the Rangers 3 - 1.

Saints Sportsmen's Dinner a marked success

The more than 200 local fans, who attended St. Albert's first sportsmen's dinner Saturday evening, at Club Mocombo, were treated to a laugh a second, when the irrepressible Wes Montgomery of CHED emceed a delightful banquet.

"Hec Gervais - the only guy I know who wears two girdles - an upper and a lower. He went swimming at the YMCA last week and got harpooned..."

"I went curling with Bob Hudson and we shared a room..." Bob undressing is like the unveiling of a golf stick!"

At the head table with the Montgomerys were Clare Drake, coach of the University Golden Bears and Mrs. Drake - a "quarter-horse rider from Yorkton," according to Wes; Ron Forwick, named Edmonton Athlete of the year the evening previous, Mr. and Mrs. Al McCann, Tiger and Mrs. Goldstick and Mayor Ray Gibbon and Mrs. Gibbon.

Mayor Gibbon congratulated the Willowbrook Saints ball club on their first sportsmen's dinner, and hoped they would continue the event. He introduced a number of St. Albert athletes in the crowd: Ed Howorko, manager and coach of the Saints, Rudy Schellhofer, the money man, Chester Cunningham, Fred Restler, and Arnie Bailey - baseball players, Lorne and Judy

Wood, tennis, Bill Clark, upcoming young swimmer, curlers Hec Gervais and Bob Hudson, arena and hockey supporters Tom White and Fred Calkins.

Thanking him Mr. Montgomery was reminded of the horns of bull - "The mayor makes a point here and a point there - with lots of bull in between."

Al McCann, sports director for CFRN radio and tv, said he was glad to see St. Albert supporting baseball which had taken something of a back seat to body sports like hockey and football. Baseball is a great game and one in which you have to use your head, said Mr. McCann, giving an example of a play requiring instant decision-making.

Tiger Goldstick, whom the Saints were happy to have with them due to his missing a plane Saturday morning, also had congratulations for St. Albert, one of the few places playing baseball. Eskimo football star, Ron Forwick spoke briefly and was appreciative of the honor bestowed on him.

Feature speaker Clare Drake emphasized the input into a community through working with youngsters in sport, which is "tremendously important." The spirit and camaraderie which develops among people involved in sports is a good thing in a community also, he said.

The evening concluded with dancing into the small hours, and an impromptu floor show arranged by Wes Montgomery, which featured local sportsmen as singers. Arnie Bailey and Hec Gervais probably had a slight edge in this department.

Ed Howorko may well be considering the sportsmen's dinner on an annual basis for the Saints, judging by the enthusiasm generated by the first one.

Tennis off to fine start

The St. Albert Tennis Club held a junior tournament on Saturday, May 15. Miles Pratt won the boy's section with Brian Harvey placing second. Roberta Parsons, for the second year in succession, took the girls section with Linda Mary Parsons as the runner-up.

It was a very close tournament with the results being used for 'ladder' positions.

The senior tournament - a novelty doubles, was held the following day, and was a great success. Lorne Wood won the men's section with Dave Kirk as runner-up. Judy Wood took the ladies prize with Roberta Parsons a close second.

The 'ladder' is now in operation and anyone wishing to have his or her name entered should phone Dave Kirk at 599-7602.

Player Tom Reid as catcher Ken Payne waits. Atlas won the opener of the Sturgeon Fastball League 15 - 2.

Sturgeon Fastball League Opens

Opening games in the Sturgeon Mens Fastball League got underway last Monday with only one St. Albert team coming up with a victory.

Atlas Aluminum thumped CJD Implements 15 - 2 behind the strong arm of Pete Golko who also hit a home run. Tom Reed was the losing pitcher and Brian Zamirsky had a homerun in the losing cause.

Manning Loaders scored a close 13 - 11 win over Grandin Esso. Mike Hemple took the loss and Lionel Bonneville had a homerun. Spruce Grove Panthers edged out Stony Plain 10 - 9. Calahoo scored eight runs in the last inning to make a 10 all tie with Villeneuve. The game was called due to darkness. Alvin Logazhar and Harry Atkinson had homers for Villeneuve.

The scheduled game between Spruce Grove Eagles and Edmonton Stealers was cancelled due to the Stealers dropping out of the league. League officials are now trying to obtain another team.

Peewee award winners from left to right are: Ian Grant and Kevin Ledgerwood of the Oilers with league championship trophy, Kevin Keith (Oilers) was top goaltender and Lorle Loshak (Legion) was leading scorer. Oiler coach Howard Grant at rear.

Gary Bruens of the Black Hawks (centre) holds Auction City trophy as bantam league leading scorer. Glen Weiss (right) has Reggie Hardware trophy as top goaltender. Henry Roy holds the Eddie Joyal trophy for Black Hawks capturing the bantam championship.

Mite trophy winners from left to right: Todd Winquist (Totems) for leading scorer; Larry Sander with Klondike Inn trophy won by the K of C team; Kelly Ratchinsky (K of C) captured the goalie award.

Kevin Jackson (left) of the champion K of C Shaver A team won the goal scoring trophy. Team mate Brian Rassmussen was the league's leading goalie.

Namao Sports

The juniors fared better than the seniors in the opening week's baseball play. Namao Mites won over Gibbons' Mites 24 - 22; Namao peewees defeated Gibbons 16 - 6 and the Namao sen-

iors were on the wrong end of a 16 - 3 score, when they met Morinville.

A gymkhana practise and demonstration goes Saturday, May 22 at the farm of Marshall Davis.

Bicycle Club keeps busy

The St. Albert Bicycle Club will meet at the Clubhouse, Friday, May 21 at 8 p.m. Two films will be shown, one will feature the cycling events of the recent Commonwealth games and the second film shows some outstanding footage on the St. Laurent Tour. Admission is 25 cents and all are welcome.

Three members of the St. Albert club participated in last Sunday's Devon-Leedon-Devon road race. The event saw a starting field of 30, and the three St. Albert cyclists were among the 16 who finished. Gordon Foster came in 10th, Ted Butterworth placed 14th and Dave MacLure finished in 13th place. For all three it was their first road race. Gordon, Ted and Dave will be joined by Peter MacCaffery for this Sunday's 70 mile road race on Highway 16 west.

Saints Lose Opener

The sixth inning proved fatal for St. Albert Willowbrook Saints as they allowed Burns Shamrocks to score seven big runs and post a come from behind 11 - 4 win.

Saints took an early 3 - 1 lead in the fourth on Arnold Bailey's single to score Rick Pugliese and Larry Wolbeck who had walked and singled. Bailey then scored on a single by losing pitcher Glen Winder.

Four walks and three singles accounted for Burns explosion in the sixth.

North Central Alberta Baseball League Underway

League play opened on all fronts last Sunday as the Southern Division of the NCA Baseball League got underway for the 71 season.

As is expected at this time of year, scores were a little lopsided with Morinville thumping Namao 17 - 3. Redwater had no trouble with Legal as they posted a 16 - 5 win. Vimy shut-out Horse Hills 10 - 0 and Alexander defeated Bon Accord, although no score was available at press time.

All above teams will play a 14 game schedule each with the final games to be played July 28. League finals will start the second week in August with the champions of the southern division going against their northern counterparts at the home diamond of the north champion.

Games will be played almost every Wednesday with five games scheduled for Tuesdays and Thursdays. No league games will be played on weekends so as to allow teams to partici-

pate in their annual sports day tournaments and others they wish to enter.

All upcoming games will be announced in the Gazette as will all scores if the coaches or managers would phone them in to Larry Mitchell at 599-7001.

Paul Riopel of Morinville is the league secretary and coaches of the winning team are reminded to send in the game sheet as soon as possible after each game.

Prime Minister to open plant on Blood Indian Reserve

Chief Jim Shot Both Sides' announced this morning that Prime Minister Trudeau has accepted his invitation to officially open the new Kainai Industries plant at Standoff on the Blood Reserve on the afternoon of July 10.

Standoff is located 32 miles southwest of Lethbridge in Southern Alberta on the largest Indian reserve in Canada.

The 80,000 sq. ft. plant which is owned by the Blood

people, went into production in January of this year producing sectional housing.

The plant employs 100 Indian people and will employ 240 when full production is

reached later this year.

The Chief also announced that the Blood Tribe will arrange a special Indian Days celebration complete with tribal dancing to coincide with the official opening of the plant.

The first sailingship built as a tanker to carry oil in 1883 had hollow iron masts. When the oil grew warm in shipment it could expand by flowing up the inside of the masts.

Two society matrons in a cannibal tribe were discussing marital troubles. "I simply don't know what to make of my husband these days," said one.

"Don't let that bother you," the second reassured her. "I'll send over my new book of recipes."

Calahoo W.I. attends conference

The Stony Plain-Lac Ste. Anne Womens Institute conference was held at Sangudo, May 12, with Calahoo president, Mary Dalheim convenor.

Mayor Doug McKeen welcomed the 99 women present for the conference and Mrs. C. R. Wood, a member of the Stony Plain WI, was keynote speaker. Her topic was "Alberta WI, past and

present."

Among the highlights of the meeting was a poetry and short story writing competition, judged by well known author John Patrick Giese.

Vera Holt of the Gay 67 club was official hostess. District director Elizabeth Lefsrud delivered the final address of her four year term. Acting secretary for the meeting was Stephanie Shenfield.

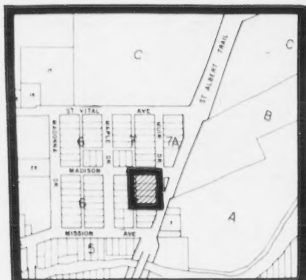

Town of St. Albert

NOTICE OF PUBLIC HEARING

The council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lots 62 to 65 inclusive, Block 7, Plan G presently zoned COMMERCIAL CLASS 3 (C3) to COMMERCIAL CLASS 1 (C1).

The proposed bylaw No. 13/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 7th day of June 1971 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the second day of June, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Gibbons council discusses water chlorination

Gibbons Village Council met with a representative from Mackenzie and Feilman, Industrial Chemists, to discuss the possibility of using gas chlorine in the water treatment instead of the powder that is now being used. Council was told the initial cost for the change-over would be high but the chlorination of the water would cost less. Council also received information and cost quotations for dust handling and road stabilizing.

The number of village councillors can now be increased to five from the present three. Council gave third reading to a bylaw allowing for the increase.

The village will soon be implementing the new address system and the council and Scoutleader have agreed to have the local Boy Scouts sell house numbers to the residents.

The Gibbons Badminton Club will soon have a proper court. Council agreed to allow the club use of the necessary machinery and Mr. E. Yeo has volunteered his time to run same to help get the ground levelled.

Construction of the water and sewer extension will start as soon as striping of the streets is completed.

Council read and signed the agreement between the village and the new maintenance man.

Gibbons recently observed its Clean-Up Day and the village reports the event

was a success despite the high winds that prevailed. Most citizens, young and old, readily pitched in.

Council is still working on the budget which will be finalized as soon as the requisitions are in.

The village extends a hearty welcome to all newcomers to the community.

Recent Winners in Kinstakes Draw

The Association of Kinsmen Clubs in Alberta announced the names of five persons whose tickets were drawn in the final KINSTAKE early bird draw conducted May 14.

The draws which were made by the Past National President and a Life Member of the Edmonton Kinsmen Club, J. Arthur Jones, produced the following winners who will each receive \$1,000.00 in cash:

1. E. Krul, General Delivery, Turner Valley, Alta.
2. Olive Heuman, 6304 - 92 Ave., Edmonton, Alta.
3. Alice E. Butler, 708 Mapleton Drive, Calgary.

4. Clara H. Epp, 5326 - 248 S. R. R. #3 Aldergrove B.C.

5. Shirley Clarke, 206 - 10640 - 112 St., Edmonton.

The final draw for the three major prizes of \$25,000, \$10,000 and \$5,000 will be held May 28, 1971.

Goings on at Paul Kane

By Holly Hill

Hill's 'bony' beef of beautiful bison babies baseball team (alias Paul Kane Pandas) came up against stiff competition last week. Monday they defeated the girls from SAM 22 to 18. At the top of the sixth inning in that game SAM was leading 16 to 10. Then at the top of the seventh PK was leading 22 to 16 and they only let two runs by. Last Friday our girls came up against our own terrible, treacherous, tyrannous teachers. This game allowed the teachers to practise up batting left-handed and with crossed wrists, exercise their vocal cords while they disputed with the first base umpire, and generally harass the poor underserving students. Undaunted the girls have challenged the teachers to a make-up game, to see if they can't improve their 14 to 12 loss.

CHEERLEADERS
The cheering squad has chosen 11 out of approximately 20 girls to continue try-outs for the six open positions on next year's

squad. They plan to have the final six chosen some time this week.

CHOCOLATE SALES

If any of the residents of St. Albert would like to purchase chocolate covered almonds from the St. Albert student exchange, but were out when the students canvassed their areas they may phone Janice Hoosler, in Grandin, 599-7469, Holly Hill, Sturgeon, 599-7222 or Jennifer Kary, Braeside, 599-7973. The students sell these chocolates at one dollar a box, they are sold in retail outlets for \$1.25 a box.

Since rapeseed and mustard seed are inseparable, it is not practical to produce both crops on the same farm or even in the same district.

PITCH & SPICE SINGERS
Last weekend the Pitch and Spice singers traveled to Bonnevillville and St. Paul to entertain the communities. The cast of 113 students left for Bonnevillville at 9 a.m. Saturday morning taking three buses and two truck loads of instruments. The students entertained at Bonnevillville, Saturday and took part in a folk mass Sunday morning. Then they travelled to St. Paul and presented their program Sunday night.

Despite the fact that there was a lot of travelling involved and some students lost their voices they really enjoyed the tour.

Students attend Festival

St. Albert High was one of 11 schools who took their plays to Red Deer for the Provincial One Act Play Festival. The festival began Friday night May 7, and continued through Saturday and Sunday. Plays from all over Alberta were presented and adjudicated publicly and privately offering everyone an excellent opportunity to learn from Mr. Bunch's experience.

Perhaps an equally rewarding experience for the students and one that taught them a tremendous amount also was the opportunity to mix with the actors and teachers from the other schools. Although St. Albert High's play was not thewin-

ner none of those who attended felt that the weekend was anything but a complete success.

Morinville Memos

By Rose Marie

The high winds last Thursday caused damage to roofs, trees and demolished garages and small farm buildings in the Morinville district. The blinding dust storm was one of the worst in many years.

Morinville fire chief, Raymond McDonald has retired after 21 years of service. The new fire chief is O'Neil Chevalier, the assistant is Aelard St. Laurent. Both have many years experience.

Morinville will host the first midget baseball tournament of the season this weekend. Beginning at 1 p.m. Saturday, eight teams will be competing for prizes. The concession booth will be open, and Dave Kegler, manager and director of baseball in Morinville, says an outstanding tourney is in the offing.

Dave Kegler reports that to date more than 150 boys and girls are registered in local softball and baseball programs. The program is faced with a severe shortage of equipment and donations will be gratefully accepted. Please send your cheque to the Morinville Sports Association, in care of Dave Kegler.

Registration for the summer playground activities will take place on Thursday, May 20 at the Recreation Centre, 7 - 9 p.m.

All children who wish to register for the Red Cross swimming program should do so before June 1st.

Mayor and Mrs. Art Stapleton attended the Spring Conference, district 37B, Lions International, held at Medicine Hat last weekend.

Mr. and Mrs. Raymond Robert and Emma Turgeon, of Edmonton, were visitors at the homes of a number of friends and relatives last week.

Janice Pelletier is employed as hostess at the Glendale Golf and Country Club for the summer months.

Mr. and Mrs. Lou Calder and family attended the wedding of their daughter Barbara in Edmonton recently.

Bon Accord Activities

By Sadie Allen

The Community Centre Board are looking into the possibility of arranging swimming lessons for the holidays. If you or your children are interested in lessons for the summer, contact Mrs. Dorothy Rigney, 298-2248, immediately.

Baseball is in full swing. Unfortunately we are missing quite a few bantam and midget uniforms. If there's a stray uniform hanging around your house, please turn it in to Jerry Hagdoren or Hugh Allen Jr., coaches of the above teams. Bon Accord mites, pee-wees, bantams and senior baseball teams came off second best in games played during the weekend. The younger boys bowed out to Horse Hill on three counts and the seniors lost to Alexander Braves.

No. 524 RCAF Cadet Squadron took part in Zone competitions held at Namoo airport on May 16 and came out tops in agility.

Dorothy Rigney and Alice Strawson attended the production of "The Sound of Music" put on by Lazerte High School on May 8. Local girls participating were Sandra Krewaw, Mary Sudyk and Joyce Rigney.

Farm economic needs considered

Leonard Blanchette, president of the Legal Savings and Credit Union, stated at a recent board meeting of this organization "that a new approach must be made to meet the operational needs of the farm community."

"What we have failed to recognize in the past," said Mr. Blanchette, "is that each farm is a separate business, and as a business, requires two separate forms of financing, long term investment capital and short term operational loans to finance farm work."

"Furthermore," Mr. Blanchette went on to suggest to his fellow board members, "the credit union must recognize that each farm contains a family, and the credit union must program the family needs."

Consequently, the Board of the Legal Savings and Credit Union, at this special board meeting, unanimously agreed to a program of "Family Farm Loans." This plan is designed to meet the needs of the family unit, separate from the needs of the farm operation. The Legal Credit Union has over \$650,000 in assets,

A victory dance and supper honoring the junior high girls' and boys basketball teams were held at Bon Accord school on May 14. A variety program consisting of singing by Cameron Mason and Louis Naplo, a gymnastics display by Karen and Sharon Draper and Debra Uchacz, a play by the junior high drama class - Fred Weinzierl, Patrick Ferbey, Marcia Rigney, Judy Lampkin and Cynthia Woywika - was enjoyed by all. The Oak Hill Boy's Band supplied the music for the evening. Guest speaker for the evening was Keith Everitt, Master of ceremonies was Vern King and Rev. Ramsey Stuart said grace. Basketball coach Mr. Rigney and volleyball coach Mrs. Nordstrom were presented with plaques by Karen and Sharon Draper on behalf of the teams. Patrick Ferbey presented boys volleyball coach Vern King with cuff links and Nick Bodnar presented Mr. Goulet with several items for his help as the boys' basketball coach.

The 4H Beef Club tour, was held on Monday, May 10. After the calf judging, the club inspected all the members calves and finished off the evening with a wicker roast at Taras Ferbey's.

Everyone was saddened to learn of the sudden pass-

Camilla honors

By Liz McLeod

Close to 300 persons attended a dinner held recently in honor of the Camilla students who have done so well in wrestling, basketball, volleyball and track and field. Seated at the head table were Mr. and Mrs. Mikulin, Mr. and Mrs. Keith Everitt, Mr. and Mrs. Broemling,

Mr. and Mrs. Schneider, Mr. and Mrs. John McDonnell and Mr. and Mrs. Manning.

Mr. Mikulin introduced the teams and praised the youngsters for their sportsmanship and their ability and willingness to co-operate with each other.

It was pointed out that the wrestlers had 260 practice bouts and only lost 52 of these. Fifty boys went to the semi-finals, 31 made it to the finals and of these 29 won medals.

Left to their own devices, children will usually follow the straight and narrow. That is, the straight and narrow path across your new lawn.

Vimy News

By Jeanne Laplante

Sympathies are extended to the Despins-Buchanan families upon their recent loss of Mrs. Helen Buchanan.

Weekend visitors at the home of Mr. and Mrs. Roger Laplante were Mr. and Mrs. Del Ranks and family from Calgary.

Denis Landry is now attending NAIT where he is taking a two month course in auto mechanics.

Mr. and Mrs. Mike Hehn are receiving congratulations upon the arrival of a baby daughter born at the Immaculata.

Merle Ann Campbell and Roland Fagan were feted at a social evening in the community hall. Wedding to be held on May 21.
